

Self Portrait

Sample: A sample of your finished activity is on the board or on the Internet under Student Work.

Activity:

- 1) Use PowerPoint to complete this project (File/New Presentation).
- 2) Make sure the following toolbars are showing: Standard, Formatting and Drawing (View/Toolbars).
- 3) Change the width to 5 (File/Page Setup).
- 4) Change to slide view (View/Slide).
- 5) Work in a blank layout (Format/Slide Layout).
- 6) Using WordArt, type your first name and last initial at the bottom of the page. It should be centered using a 24-48 point font. Make your name look interesting.
- 7) Create a self portrait from the waist up (including hands). This should take up the entire page (above your name). **THE BACKGROUND MUST REMAIN WHITE!**
- 8) Grading will be determined by the number and the effectiveness of the tools you use, as well as the quality of your work (This IS a self portrait.).
- 9) After your self-portrait has been approved, fill in the white space around your self portrait by adding several graphics that depict your hobbies and interests.
- 10) Save this file in your documents folder and call it: Self Portrait.
- 11) After receiving a final OK, print your portrait on the color printer.
- 12) Turn in your self portrait.
- 13) Save your file as a jpeg file using your initials as the name.
- 14) These portraits will be displayed in Room 202 and/or the hallway as well as on the Internet.
