## **Lincoln School Teacher Kara Dabe Awarded 2007 Hendee Rotary Scholarship**

The Rotary Club of Park Ridge has named Kara Dabe the recipient of the 2007 Raymond E. Hendee Rotary Scholarship. Dabe is an 8<sup>th</sup> grade Instructional Resource teacher at Lincoln Middle School. She will use the \$1,000 scholarship for graduate coursework at DePaul University on current instruction and research in reading and learning disabilities.

Dabe will be honored at the Rotary Club meeting at 7 a.m. on Wednesday, May 30 at Summit Square of Park Ridge, 10 Summit Ave.

The Rotary Club of Park Ridge presents the scholarship annually in memory of the late Dr. Hendee, who was Superintendent of School District 64 from 1970 until his retirement in 1990. The award is in honor of his dedication to young people and education, his support of the teaching staff, and his lifelong commitment to serving others as a Park Ridge Rotarian for 32 years. Applicants must be teachers in District 64 and their coursework must directly relate to their teaching assignment.

This year's applicants were "all very strong," according to Rotarian Marta Hoover, who chaired the review committee. She called Dabe's proposal for further study in reading and learning disabilities "a great match for your school and the intent of this scholarship. We are so pleased to be able to support you as you explore new areas of creativity and enrich your career," she added.
